Membership Benefits:

Our impact is greater together than it is when we work individually

Among the privileges, benefits and services of being a General/ life/ executive Member of EduN are:

1. Training Workshops with experts on topics as education, innovation, empowerment planning, rapport building, skill development, and other practical issues.
2. Opportunities to team up with other members of the organization to help create our own projects throughout which the organization will provide technical and capacity building assistance, and more.
3. Involvement in planning and execution of the projects to be carried out by the organization.
4. Conferences provide a unique crossroads for the team members to meet, share innovative ideas and practices, and build partnerships that can help the NGOs better fulfill their missions.
5. Symposia and roundtables are also periodically conducted and members will have substantially reduced rates to attend our conferences and symposia.
6. Organization Members will have access to the information on every program/ project to be carried out by the organization beforehand.
7. (General/ life) Members will have the right to vote for the board members of the organization.
8. (General/ life) members have the right to propose or nominate themselves to be a part of the committee (either board /executive) which will help us advance the goals of our organization.
9. Full access to the organization's infrastructures (reading, working materials, etc) resources either through the website or from our office
10. 15-20% discount on all online and face-to-face workshops to General/ life/ executive
